GAME

Farmion is a cozy voxel farming and life simulation game for PC. Players build farms, plant crops, trees, and flowers, and run shops, alone or with friends. Crops, sales, and processing continue while players are away.

PROGRESSION

Farm progress belongs to the save.

Character progress belongs to each player: cosmetics and small gameplay unlocks, such as harvesting larger areas.

PROPOSED BASE PRICES

\$10.95 / £9.89 / 9,95€

Planned launch discount: 15% for the first 8 days.

ABOUT THE STUDIO

Baer & Hoggo Games is a two-person studio based in the European Union. We're working on Farmion alongside our jobs.
