Shape the land, plant crops, trees and flowers, and look after your livestock.

run shops

Open a café, buffet or restaurant, a grocery store or a flower shop.

play together

Solo or online co-op. Crops grow and markets sell while you're away.

description

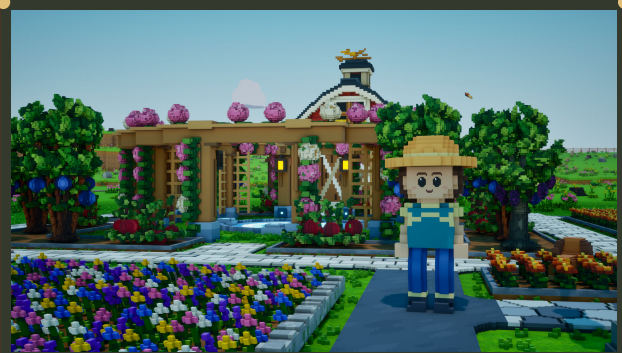

Farmion is a cozy voxel farming and life simulation game by Baer & Hoggo Games. Players can shape the terrain, place crops, trees, and flowers, process ingredients, and sell goods in their own shops. The game also includes culinary businesses and floristry. Players can also keep livestock, build villages with markets and processors, and furnish their own home.

logos

The Farmion logo features the word "FARMION" in a stylized, blocky font. A small chicken head is integrated into the letter "O", and there are small green leaves and a red flower on either side of the text.
